

Deeper In God

March 19, 2017

THIS WEEK'S SCRIPTURE: *Matthew 6v5-11*

THIS WEEK'S BIG IDEA: Trusting our Father to provide for our needs frees us from feeding our “greeds.”

Reflect: What area of your life do you find hardest to trust God in, and why?

Reflect: Do you think that God is generous or stingy? When Jesus prays for daily bread, do you think this is just basic bland stuff, or can it be stuff we enjoy, as well? Why, or why not?

Reflect: Why is our ability to pretty much take care of most of our basic needs so detrimental for trusting God? Is our ability to meet our daily needs a result of God's grace or our hard work?

Reflect: In the wilderness, the Hebrew people are faced with an opportunity to trust God in the face of change, yet they want to go back to Egypt, a life of pain and bondage. When have you wanted to retreat instead of trusting God?

Reflect: How does fear lead us into this idea of scarcity, that there will never be enough? What are some ways that you can practice seeking God for your D.A.I.L.Y. bread?

Rest & Reflect: Days 6 & 7 are days of rest and reflection. Use these days to dig a bit deeper if you feel inspired.
