Grace Church
LOVE GOD, SERVE ALL, CHANGE LIVES

OUR DISCIPLESHIP PATHWAY

LOVE GOD

Starting Point
Attend worship at least once a month.

Next Steps
Attend worship one to three times a month and invest financially in special initiatives that I care about.

Going Deeper
Attend worship weekly as a priority of my spiritual growth and consistently invest financially in the ongoing ministry of Grace Church.

SERVE ALL

Starting Point
Participate in a workshop, seminar, or special event & begin to take part in spiritual practices like prayer & Bible reading.

Next Steps
Join a weekly small group and regularly practice Bible study and prayer.

Going Deeper
Lead a small group and daily practice Bible study and prayer.

CHANGE LIVES

Starting Point
Volunteer occasionally for ministry or service projects in the community.

Next Steps
Regularly commit to serving on a ministry team & participating in ministries in our community as I begin to share my own faith in Christ.

Going Deeper
Commit to leading a ministry or administrative team in the church & participate in ongoing missional service outside the church. Sharing my faith has now become a natural outflow of my daily life.

When I am living an integrated spiritual life as an apprentice of Jesus, each part of the pathway – *Loving God, Serving All, and Changing Lives* – intersects with the others, giving evidence to all that following Jesus is the most vital part of my life!
